## CURRENT MINISTRY

Jim serves as director of development for EuroBoost, a Europe-wide strategy to *accelerate* church planting projects, with a focus on Central Europe, Eastern Europe and the Northern Adriatic. EuroBoost also facilitates in the launching of new church plants by providing funds for start-up costs.

## PREVIOUS MINISTRY

The Knutsens have served in Europe for 8 years and have ministered in France, Belgium, Holland, Spain, Scotland, Norway and Poland in the areas of leadership education, worship leading and formation, marriage workshops, outreach and church planting.
